

The Fourth Official — Part 2b visual system ✔ decided (Q5, 2026-07-12)

Referee's kit: Swiss Modernism 2.0 · pitch-green single accent · card-shaped badges for warnings/errors · Geist Sans / Geist Mono. v2: yellow card revised from amber text (#B45309) to true-yellow badge fill (#FACC15) per Markus.

CORE PALETTE — LIGHT MODE

Background
#FFFFFF

Foreground
#171717

Pitch green — accent
#15803D Ask button, links, citation markers

Yellow card — badge fill
#FACC15 warnings, rate limits. Fill only — never text color

Red card — badge fill
#DC2626 errors, refusals, wrong password

CORE PALETTE — DARK MODE

Background
#0A0A0A

Foreground
#EDED

Pitch green — accent
#22C55E brighter variant for dark surfaces

Yellow card — badge fill
#FACC15 same fill both themes

Red card — badge fill
#DC2626 (#F87171 for error text on dark)

IN CONTEXT — RULING CARD WITH CARD-BADGE SEMANTICS, BOTH THEMES

Law 15 > 1 The throw-in

No — a goal cannot be scored directly from a throw-in [1]. If the ball enters the opponents' goal, play restarts with a goal kick [1][2].

The card glyph is a small rounded portrait rectangle with a slight referee's-flourish tilt — message text stays in the normal foreground color (accessible in both themes); the badge fill carries the semantic color. If yellow-toned text is ever unavoidable in light mode, #A16207 is the AA fallback. Geist Sans for prose/UI; Geist Mono for the law register (breadcrumbs, markers, scores).
